70 is the new 50, because today's seniors are more affluent, educated and active than ever before. The Senior Expos help educate and inform local seniors on the latest products, services and opportunities available to them. Over 150 vendors will be onsite sampling, selling and demonstrating thousands of products and services.

“A Senior Expo is a fun day for seniors to get out and socialize, shop, learn about new products and be entertained,” said Craig Levine, the event producer. “The vendors really put a lot of time and effort into their expo presence. It's really a who's who of companies offering goods and services to Las Vegas seniors.”

Humana and Healthcare Partners have teamed up to offer a free cup of coffee for the visiting seniors to sip on while they peruse the vendors. Smith's Pharmacy is providing seniors with free health screening and flu shots.

The expos feature a “Spin to Win” contest where attending seniors can win a \$5 card for free slot play. Plus, the first 100 visitors at each event will receive a goody bag stuffed with items donated from the vendors. Water bottles, pill cases, mini-brooms, band aid containers and jar openers are just a few of the items found in the Great Goody Bags.

The Senior Expos also feature all day live entertainment from local performers like the Speeding Theater, Ms. Nevada Performers and Mama's Wranglers. These entertainers are comprised of artists who donate their time to give back to the senior community.

If you're an active fifty plusser you don't want to miss going to one of these Senior Expos. It is a great opportunity to learn what local businesses can and will do to help you in making the most of your later years.

Senior Expos are free to every one of all ages and open from 10 am to 3 pm.
