

Helping Your Organization Produce a Successful Event

Pro Expo is a full-service meeting and event management company that can help your organization produce or manage a successful event. We offer flexible services and can accommodate any part or all of your company's event needs. As experts in the event industry, we have extensive experience in executing events of all sizes.

Understanding the Client Needs:

We can take your idea and shape it to fit your needs and budget. Our onsite staff can help your event run smooth by managing the event setup, vendor move-in, freight shipping, event management, problem solving, vendor move-out, exhibit tear down and venue cleaning.

Onsite Expertise:

- Event Staffing
- Rigging & Staging
- A/V, pipe & drape
- Vendor Move-in
- Onsite management
- Freight shipping
